**Forty-hour training • One year of support with a Job Coach •
Additional skills workshops offered throughout the year**

Overview

A Wider Circle's Workforce Development Boot Camp provides the tools and resources job seekers need to gain sustainable, long-term employment and advance in a career. **The program is geared toward those seeking long-term, full-time, permanent employment.**

We offer a year of employment support which begins with an intensive 40-hour, one-week Boot Camp focusing on resume and cover letter writing, interview skills, career path identification, and job advancement. Job seekers participate in a series of hands-on, interactive workshops, select beautiful professional attire and accessories free of charge, and have access to computers for resume writing and job searching. The follow-up component includes a year-long match up with a Job Coach who provides long-term mentoring and motivation.
