

Parish Day School Trike-a-thon

April 15th & 16th, 2026

We are excited to host our Annual Trike-a-thon to benefit Children's Hospital of the King's Daughters on April 15th & 16th.

What is the Trike-a-thon?

It's an annual event where:

- We set up a tricycle riding course
- Children bring in their bicycles & helmets to ride the course
- A local bicycle police officer shares about bike safety
- Donations are encouraged to benefit CHKD

CHKD offers this program to introduce and encourage philanthropy amongst preschoolers. Children can bring their bikes with training wheels, tricycles, scooters, balance bikes or other three-wheeled mode of transportation to ride for charity. We will have our playground trikes available to share but all children **must bring their own helmet.**

We have attached a CHKD sponsorship form. Collecting donations is totally optional but we hope children will ask neighbors, friends, and relatives to support them financially with a donation to CHKD. They can collect cash, checks (made payable to CHKD) or donate using the qr code below. Every penny counts! We hope to have a CHKD "bank" along the course where the students can make a deposit. Last year we raised over $2500 and we hope to raise $1 more this year.

We will talk to the children about CHKD before the event and explain how this hospital is so special because all the patients are children. Chances are we have several students who have benefitted from the fabulous care the hospital offers. Let your teacher know if your child has visited CHKD or sees a CHKD doctor.

Check your Bloomz page to volunteer with your child's classroom.
