With Debby Buchholz, Managing Director of the La Jolla Playhouse

La Jolla Playhouse has garnered a total of 42 Tony awards and sent 36 productions to Broadway, including Come From Away, The Who's Tommy, Thoroughly Modern Millie, Jersey Boys and Summer: The Donna Summer Musical.

What makes the Playhouse a special "incubator" of new works? How do projects develop and move on to productions throughout the USA and the world?

Debby Buchholz is the Managing Director of the La Jolla Playhouse and a Solana Beach resident. Join her for a conversation about how the Playhouse helps make San Diego one of the most exciting theater towns in America.
