**President's Letter**

Dear NAWIC Chapter 99 Members,

As we enter the vibrant month of May, I want to take a moment to reflect on our accomplishments in April and look ahead to exciting opportunities.

This spring has been a period of growth and progress. Thanks to your dedication and hard work, we successfully launched events that are paving the way for a brighter future. Your commitment to excellence continues to propel our organization forward.

**April Recap**

- **April 2nd:** We participated in the SCUSD Annual Job & Resource Fair, connecting with industry professionals and providing students with insights into the trades.

- **April 23rd:** We celebrated 60 years of building a legacy with the theme "Hard Hats and High Fashion: A Decade of Journey." The Charter Dinner was an unforgettable evening featuring a fashion show that honored our past and highlighted our promising future. Special thanks to Shawna Alvarado, Kira O'Donnell, Kayla Alvarado, Sarah Thorvund, Laura Grabar, Brenda Trejo, Zuri Hernandez, Kaitlyn Shelton, Kara Hermann, Pat McDonald, and Samantha Goel for making this celebration truly memorable.

- Congratulations to Angie Ramos for winning **Member of the Year!** In recognition for her outstanding commitment and dedication to NAWIC.

- We warmly welcome our new members: DeLinda Yatskevich, Diana Manriquex, Jennifer Dreyer, Jennifer Valderrama, and Patricia Nguyen. We're excited to have you as part of our chapter!

- **April 26th:** We teamed up once again with Rebuilding Together Peninsula for the 2025 National Rebuilding Day. Together, we transformed a house into a home—one nail, one paint stroke, and one smile at a time. Thank you all for your teamwork, dedication, and hard work. Special appreciation to Angie Ramos (Captain) and Brenda Trejo (Co-Captain) for leading this impactful event, along with the Rebuilding Together Peninsula team and Stanford University volunteers.

**Looking Ahead**

We have several exciting events coming up in the next months. In May:

**May 28th**, Monica Sanchez from Proven Connections Group will share valuable tips on navigating the PG&E process. Whether you're a homeowner or a business owner, Monica is dedicated to making your experience smooth and stress-free. She'll cover topics such as electrical services, managing temporary power poles, gas services, and more. Don't miss this opportunity to ask questions and gain insights—be sure to join us!

We are also planning our annual **Wild West Casino Night Fundraiser**. If you're interested in joining the committee, please contact me. More details will be shared soon—this will be a fantastic event in July!

Additionally, NAWIC Silicon Valley is seeking talented candidates for our upcoming Board of Directors elections. If you're a passionate leader ready to make a difference, we want to hear from you! Don't miss your chance to be part of something impactful.

I encourage everyone to stay engaged, share their ideas, and continue working together to empower, uplift, and innovate.

Wishing you all a productive and inspiring May!

Warm regards,

Brenda Trejo
President
