Bench & Tree Memorials

We have had so many requests for bench and tree memorials in Austin Park and the Charlie Major Nature Trail, we have had to start a wait list. If you would like a bench or tree to honor someone or someone who has reached a milestone, please email with your request and location. Right now, due to construction and reevaluating different areas we cannot guarantee when your request will be honored right away. To request to be on the waiting list, please email parks@townofskaneateles.com.
