GREENWOOD LEFLORE CARROLL

Quarter 2 - News & Events - April 2021

From the Director

Spring is in the air, finally!

The spring season makes me think of all things new and fresh. And nothing says "fresh start" like that of a new job! GREENWOOD IS HIRING! It seems like lately our office receives almost weekly phone calls from local companies who are currently hiring. See below for upcoming job fairs happening right here in Greenwood in the next few weeks, and be sure to look for our new Jobs Board resource page on the EDF website. We'll continue to share this type of information to our Facebook page as well. You can also check in with our partner, the Chamber of Commerce, for job info on the Jobs Board page of their website, social media pages, newsletter, and the electronic marquis sign overlooking the highway outside our building. As always, contact the EDF any time if we can assist you with finding a job or promoting your company's available positions.

Continue to stay safe and well,

Angela Curry
