Sibling Discount – Camp Fees

The Marin Council provides a sibling discount of 10% for in-council, week-long camping programs – NYLT, Cub Scout Day Camp, and Camp Marin Sierra Resident Camp. This sibling discount is provided only to Marin Council families and may be "mixed & matched" between programs. **The Sibling Discount cannot be combined with a traditional campership.**

The sibling discount must be applied for, although will be granted automatically on request. For families taking advantage of installment payment programs, the discount will be applied to your final camp payment. This form must be submitted to the Marin Council Service Center along with your camp payment prior to attending camp; retroactive discounts will not be processed.
