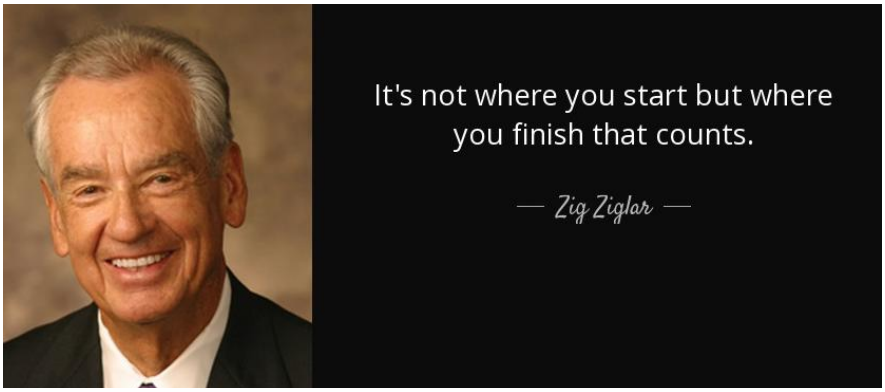
Department of Kansas Membership – April 2026

Trish Ward, Department Membership Chair

Next Up – 95%

Our next membership milestone is 95% by June 12.

8,541 is the number to make it happen



Kirby's April Tip

Connect with other Orgs

Do you have a Lyons, Kiwanis or Sertoma organization in your town? Find out when they meet and attend their next meeting. Give a presentation about The American Legion Family. You might just find a few members!

☑ Checklist

- ☐ Get more bang for your stamp buck! When mailing information, be sure to add a membership application. Stamps are expensive these days…so include info about The American Legion Family in every envelope.
- ☐ Are you out and about supporting your community? Always wear branded clothing and carry membership applications for each entity of The American Legion Family.
- ☐ Host a "Spring Fling" membership event at your Post. Invite all members to stop by the post and rally the team to help drive a final push for membership.
- ☐ April is a great month to combine a membership experience with a military holiday. Holidays include: Month of the Military child, Gold Star Spouses Day, Air Force and Army Reserve Birthdays and National Military Brats Day. Pick a holiday and make membership a part of it.
- ☐ Create a "Membership Tub" for your team. Get a tub, put everything you need to quickly set up a membership experience…and then plan and execute an event. Remember to have fun and invite the kids!

An Update on the Flock as of 3/18/26

District 11 Canaries still lead the flock but great job District 5 Blue Jays for making a run up to third place!

District Standings:

1.	District 11	89.58%
