MORNING "LIVE" WITH HCA

Welcome back to HCA's open session opportunities for live dialogue on things that are front-of-mind to you. Raise items with HCA & colleagues, exchange ideas and helpful resources with one another, and more.

HCA is calling on every member to participate in the Annual State of the Industry Survey. Our staff will explain why your participation in this survey is critical; we use this data and report for our state and federal advocacy for the upcoming legislative session – help us help you!

After that, we'll move right into our open format for the "HCA Live" sessions, with opportunity to raise concerns, recommendations, questions to the staff; discuss current trends; and hear the latest news.

You know the rules:

1. Grab a cup of your favorite morning beverage.
2. Sit back, listen, engage and have some questions ready.
3. Let's talk.
