MORNING "LIVE" WITH HCA

After the July break, "HCA Live" is back for August!

Welcome back to HCA's open session opportunities for early morning, live dialogue, on things that are front-of-mind to you. Raise items with HCA and colleagues, exchange ideas and helpful resources with one another, and more.

HCA will kick off the discussion with the most current update available on the CDPAP single statewide Fiscal Intermediary and Administrative Fee reforms, and the status of the Medicare home health payment rule, but most of all, this will be YOUR time for dialogue.

The rules are the same as always:

1. Grab a cup of your favorite morning beverage and sit back.
2. Listen, engage and have some questions ready.
3. Let's talk.
