

New! Training on Concrete Design Software

PavementDesigner.org

When:

April 19, 2018, Thursday
10:45 am to 2:00 pm

Where:

KU Regents Center
BEST Conference Center
12600 Quivira Road, #235
Overland Park, KS 66213

Our Guest Speaker is:

Brian Killingsworth, P.E.

Executive Vice President, Local Paving
National Ready Mixed Concrete Association
(NRMCA)

Brian is one of the industry experts who has worked hard bringing this new software to market.

Mr. Killingsworth is a graduate of Texas A&M University with a BS and MS in Civil Engineering; specializing in pavement design, materials and construction. Today he provides technical support and education to member companies, affiliate associations, contractors and local owners regarding concrete pavement. Prior to joining NRMCA, Mr. Killingsworth was in pavement consulting for 20 years and conducted work with both concrete and asphalt pavements.
