MORNING "LIVE" WITH HCA

Who's excited for March Madness? (If by March Madness you mean meeting with legislators to discuss the budget, making calls in support of legislative proposals, and making sure our members voices are heard, then HCA most assuredly is!) But we haven't forgotten member favorite: HCA Live!

Join us to learn more about HCA's latest emergency preparedness grant activities, upcoming training and education, and how your agency can get involved. HCA will also provide an overview on current emergency-related issues and lead an open discussion.

This is intended to be open and honest communications with our members. Following this EP overview, there will be an opportunity to pose questions to the staff, discuss current trends and hear about the latest news.

The rules are the same as always:

1. Grab a cup of your favorite morning beverage and sit back.
2. Listen, engage and have some questions ready.
3. Let's talk.
