

- Mobility Hubs:**
1. Pomona Transit Center
  2. Montclair Station
  3. Ontario Airport
  4. Ontario Mills
  5. Chaffey College
  6. Rancho Cucamonga Civic Center
  7. Rancho Cucamonga Metrolink Station

- Dedicated BRT Lanes for West Valley Connector (Phase I&II)
- - - West Valley Connector on Existing Infrastructure (Phase I&II)
- Hybrid Rail
- ↔ Metrolink Connection to ONT from SB and Riverside
- Mobility Hubs

**Note:**  
 Several different alignment options for connecting commuter rail to ONT and between existing lines will be evaluated in Phase II of the study. Short, medium, and long-term implementation scenarios may also be considered.
