JOEY VENTIMIGLIA

gained his angel wings on January 5th, 2018, just 17 days before his 8th birthday, after a valiant battle with DIPG, a rare and aggressive form of pediatric brain cancer.

Joey's Afterglow launched in 2019 with the intent of inspiring Random Acts of Kindness in memory of Joey. Please join us in spreading Joey's Afterglow far and wide by participating in our annual holiday toy drive hosted by WGN.
