Focus Area 3:

MONTESSORI WITHIN THE WHMS CAMPUS

Montessori educators regularly examine their practice and refine their teaching to best align with the Montessori philosophy and pedagogy. Woodland Hill Montessori School is committed to continuous improvement; our decisions about the path forward are seen through the lens of the Montessori philosophy.

Culturally Relevant Pedagogy

- Deeply connect with the revolutionary aspects of Maria Montessori's work as a historical foundation for equity, inclusion and social justice
- Elevate our practice of anti-racist anti-bias teaching.
- Provide educational opportunities that mitigate biased thinking in our school community
- Human flourishing for all children

Before/Aftercare Alignment

- Further align before and after care to the Montessori method

Athletic Program Exploration and Enhancement

- Provide more opportunity for athletic participation
