Awarding Melvin Jones Fellowships

One of the most exciting aspects of being a Lion leader is awarding deserved recognition to one of our peers. The most exciting presentation is that of a "Melvin Jones Fellowship", where we honor the best, brightest and hardest working Lions with our most coveted award.

During our Melvin Jones banquet and celebration, you will be honoring your current year recipients with their Melvin Jones award and preparing their Bio for the presenters. We all anticipate learning of our recipients' history detailing how and why you have come to choose these citizens with our ultimate Lion honor. Remember, you can award a Melvin Jones Fellowship to a non-Lion worthy of this recognition.

We do require that the Bio be limited to the following information, and the typed Bio is limited in length to keep the overall process to a manageable time limit. There tends to be many recipients to honor during each district banquet and we want to be fair in recognizing each winner.

Please include the following information, 2 minutes please:

RECIPIENT'S NAME:	LION'S CLUB(S):
