Gather. Remember. Act.

OCTOBER 25-26, 2019 AJC

Friday October 25th
5:50 p.m
Temple Israel Center of White Plains

Last year, on October 27th, we witnessed unspeakable horror at Pittsburgh's Tree of Life synagogue. The murder of 11 innocent Jews at prayer represented the worst of humanity. The following weekend, we saw the best. Millions of people of all faiths rallied around AJC's **#ShowUpForShabbat** initiative, packing synagogues in what became the largest-ever expression of solidarity with the American Jewish community.

In that spirit, we ask all Jews and non-Jews to join AJC for a special #ShowUpForShabbat program on the one-year anniversary with AJC CEO David Harris. He will offer a keynote address following Shabbat services on Friday, October 25th, which begin at 5:50 p.m. at Temple Israel Center of White Plains. No RSVP required.

Be part of the community of conscience. Say no to hate!
