Passover Seder Meal at Emmanuel

"The Lord Jesus, on the night when He was betrayed, took bread..." (1 Cor 11:23b)

Jesus was celebrating the Passover Seder with his disciples on the day Christians observe as Maundy Thursday. Join us for a traditional Seder experience, with explanations about the symbolism and how it points to the Messiah, Jesus.

Traditionally, this is a long night, with storytelling and instruction woven throughout. Plan for several hours, but don't worry about keeping kids sitting quietly! There will be plenty of opportunities to get up and move around, sing and dance, and even go on a treasure hunt! The nursery will also be staffed, in case someone needs a break.

Each family will need to prepare and bring some food. Recipes for traditional dishes and a sign-up sheet will be distributed to participants about 2 weeks in advance. We will also have familiar foods, so no need to worry about picky eaters.

Space is limited, so register early to secure your spot. Please click "add another registrant" to add each member of your family.
