St. John Lutheran Church, 4386 Mayfield Road, South Euclid, Ohio was one of four (4) collection sites for the NE Ohio portion of the Joni and Friends Wheels for the World collection in September.

A total of 140 chairs came in, plus rollators, walkers, crutches, canes and orthopedic boots. St. John-South Euclid's donations totaled 28 (our second highest ever) and came from Cuyahoga, Lake, and Geauga counties, plus some generous donors who drove all the way from Lorain County! To date (as of 2015), St. John-South Euclid has collected a total of 231 wheelchairs.

This is a wonderful ministry both showing God's love in action changing lives by giving mobility and also changing lives by presenting the gospel in their own language to each recipient and their caregivers. We need more churches to get involved!

There is one busy day each year, but otherwise, the simplest approach is to pick up every chair you see put out for rubbish collection year-round. The chairs must be manual, since there are not ways to recharge in some of the countries they go to, but otherwise, chairs ***in any condition*** are accepted, as they are refurbished in prisons or used for parts, so that they are like new once delivered and fitted.

If your church would like more info from an experienced collector, please contact Nancy at drndisbro@gmail.com.
