United Federal Credit Union Named One of the 2024 Best Credit Unions to Work For

ST. JOSEPH, Mich. – United Federal Credit Union (United) was recently named one of the **2024 Best Credit Unions to Work For**. This annual program was created to identify, recognize, and honor the best employers on workplace culture and business influence.

"Without question, the reason we were selected for this award is because of the heart and drive of Team United," said United President/CEO Terry O'Rourke. "Each day I see our employees come to work with not only passion for their jobs, but a commitment to give their best effort for one another. I am grateful for Team United's hard work and unwavering dedication to making our workplace a welcoming and supportive environment for everyone at the credit union."

Credit unions from across the United States entered the two-part survey process to determine **Best Credit Unions to Work For**. The first part consisted of evaluating each nominated credit union's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation.

The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top credit unions and final rankings.

"Our employees are the driving force behind our success and our collaborative, inviting culture," said Will Schirmer, United's Chief Human Resources Officer. "We celebrate an exceptional, inspiring workplace today because of the valued contributions and productive feedback Team United provides to the leadership team. This is a workplace that has been built over the years from the vision of our employees, and we continue to enhance who we are as a company because Team United has a voice in how we grow and improve."

Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final rankings. To be considered, participants had to be a credit union, have at least 15 eligible employees and be in business a minimum of one year. Winners will be recognized by American Banker.
