Community Foundation of Henderson County
Reschedules previously postponed Annual Luncheon

Hendersonville, NC, January 31, 2024 - Community Foundation of Henderson County (CFHC) announced their decision to reschedule previously postponed November 19th Annual Luncheon.

"When our original Annual Luncheon plans were upended by tropical storm Helene, we like so many others shifted our focus to the immediate needs facing our community," shared Foundation President & CEO McCray Benson. "The months that followed have shown the incredible strength of our community, an immense outpouring of care from near and far, and that heroes are often disguised as neighbors."

Community Foundation of Henderson County is pleased to host their Annual Luncheon – A Gratitude Event **Tuesday March 4th at 11:30 am**. At Blue Ridge Conference Hall Blue Ridge Community College 180 W Campus Dr Flat Rock, NC 28731

"We look forward to as many as possible joining us to honor and recognize our community's resilience with gratitude for all those who generously give of themselves every day, but especially during this exceptional time," Benson shared.

Those interested in purchasing tickets for the event are encouraged to contact Community Foundation of Henderson County at *828-697-6224* or visit their website at ***cfhcforever.org/about/events***
