Chamber of Commerce Foundation's Golf Tournament a Swinging Success

The Chamber of Commerce Foundation proudly hosted its annual Golf Tournament on Wednesday, June 4th, at the picturesque Hendersonville Country Club. The weather was sunny with temperatures in the mid to high 70's, creating perfect conditions for a fantastic day of golf. This year's event was proudly presented by First Citizens Bank and Edward Jones - Ken Adams. Following the tournament, participants enjoyed a social gathering at the Clubhouse, sponsored by AgSouth Farm Credit and Oliver Properties.

We are thrilled to announce that we had 26 teams participate with us, as well as 23 local businesses who sponsored holes throughout the greens: Advantage Golf & Learning Center, AdventHealth Hendersonville, ALLCHOICE Insurance, Baabals Ice Cream, Boy Automotive, Casablanca Tobacconist, Champion Credit Union, Current, Dan Gilbert Insurance, Chef Blue, GFL Environmental, Henderson Oil, Horizon Heating & Air, Industrial Chemical Company, Kimberly Clark Corporation, Morrow Insurance, Noble Pest Solutions, Paul Davis Restoration, Republic Services, Southern Alarm, Southern Quality Company, State Farm Insurance – Skip Sawyer, and State Farm Insurance – Tabatha Hamlin.

The competition was fierce, and the weather was perfect for a great day on the green! GFL Environmental swung their way to victory with the Low Gross win. In the Net Score category, State Farm Insurance – Tabatha Hamlin clinched 1st place, Chef Blue followed closely behind in 2nd, and Oliver Properties rounded out the top three. There were two individual players who shot closest to the pin – Jason Tech (Advantage Golf & Learning Center) and Lee Arrington (AgSouth Farm Credit). A big thank you to all the teams who teed off with us and brought their A-game!

The golf tournament serves as a crucial fundraiser for our workforce and education division, with all proceeds benefiting programs such as the Junior Leaders Program, Apprenticeship Blue Ridge, New Teacher Breakfast, Teacher of the Year Reception, NC Scholars, and Trivia. We extend our heartfelt thanks to all participants, sponsors, and volunteers for their unwavering support and contributions to making this event a resounding success. Together, we continue to invest in the future of our community.
