The tournament will include three rounds of best two-out-of-three games, with the winners of each round advancing to the next level. Warm-up and open play starts at 6 p.m., review of the rules at 6:45, with tournament starting at 7 p.m.

### **Rules:**

The tournament will include three rounds of best two-out-of-three games, with the winners of each round advancing to the next level.

Each game will be played until the first team reaches or exceeds 21 points. There are 4 cornhole bags per team. A cornhole bag is pitched alternately between opponents at each end. Once all bags have been pitched, the points are calculated for that frame. A bag that goes in the hole is worth 3 points and a bag that lands on the board is worth 1 point. Using the cancellation scoring method, only one team will receive points per frame. Example: Team A gets one bag in the hole (3 points) and 2 bags on the board (2 points) for a total of 5 points. Team B gets 2 bags in the hole (6 points) and 1 bag on the board (1 point) for a total of 7 points. Team B will receive 2 points for that frame and Team A will receive 0. No points are given to bags that hit the ground before reaching the board, do not land on the board or in the hole, or any bag that is pitched when the player stepped across the foul line (the front edge of the board).

The team that wins 2 out of 3 games advances to the next round. Final winning team will receive a \$100 gift certificate to Boyne City Taproom.
