Dear Westbury Christian Lower School Families,

What a joy it is to greet you! As we move through the summer, my heart is full of anticipation for the year ahead and, honestly, for the chance to meet each of you face to face. Getting to know our families is one of the greatest privileges of this role, and I am genuinely looking forward to connecting with every one of you.

As I reflect on my first month here at WCS, I am deeply grateful. We stand on a beautiful foundation, one shaped by the dedication and vision of Dr. Archer. I honor the legacy she has poured into this community, and I am humbled by the grace extended to me as I find my own footing and forge my own path alongside you all.

This month has been a busy and meaningful one behind the scenes. I have been working on building a robust Positive Behavioral Interventions and Supports (PBIS) system that will help our students thrive socially, emotionally, and academically within a structured and nurturing environment. I have also spent time meeting with our incredible staff, revising our discipline policy to ensure that age-appropriate supports are in place for every child, and refining our enrichment offerings so that your families have greater access to opportunities that will help your kids grow, explore, and shine.

A few things to look forward to this summer:

Be on the lookout for **Lower School Fun Night on July 17th**! More details are coming soon, but save the date. It promises to be a wonderful evening for our Wildcat families.

You will also be receiving an email from me with two important surveys enclosed:

- **iKids Survey:** This will share potential offerings for after-school enrichment. Your input will help us shape a program that truly serves your children's interests and needs.

- **Lower School Family Survey:** This is your opportunity to share feedback on all things Lower School: culture, academics, community, and more. Your voice matters deeply to me, and I want to hear from you.

Please take a few moments to complete both when they arrive. Your responses will directly inform how we grow and serve you this year.

I look forward to meeting each and every one of you. Until then, enjoy these summer days with your families.

With gratitude and excitement,

Francheska McIntyre
Lower School Principal
Westbury Christian School
