Emmanuel Episcopal Parish

Annual Market Day Sale Celebrates 79 years

Saturday, July 27th

The ladies of St. Agnes Guild are already happily collecting, sorting, and pricing donations for the sale Day. The Market Day Sale will be open Saturday, July 27th, from 10am-2pm on the church grounds, located at 242 Mainstreet, Eastsound.

In the parish hall you will find delicious baked items to take home, and a Silver Tea serving savory and sweet treats. Also, a chance to sit and relax and to peruse the beautiful jewelry and artwork displayed there.

Outside on the grounds will be table after table offering donated books, children's toys, housewares, linens, garden tools and much much more.

St. Agnes Guild was initially formed in the 1930's to raise funds to refurbish the church building and to send money to organizations such as the Red Cross during the war.

The very first Market Day Sale was held in 1940 and continues today in order to provide needed funds for our Orcas nonprofits that benefit both island adults and children. In 2018 $6250 was donated to island nonprofits. The sale in 2018 also supported at Emmanuel, the replacement of the west side white picket fence with help from parishioner volunteers.

A hot dog stand offering a quick lunch will be operating all day as well. Mustard anyone?

So please come and join us at Emmanuel church for lunch and a very joyful day full of the tradition of giving.
