niños DE MEXICO

SEPTEMBER 2019

You are an integral part of helping to transform children's lives. Thank you for partnering with us to welcome children who need to know and feel the love of Christ every day.

THE "NEW LIFE" HOME IS OPEN!

Your gifts are changing the lives of these girls!

The girls have moved in and are enjoying their new home in Puebla. They recently started their new school. Those transferring from other Niños homes are excited that they will now be much closer to their brothers! Our prayer is that many girls will find NEW LIFE and new hope here!

As we inaugurated the home, we also welcomed a new girl! ***Angeles*** joined the ***New Life*** home and is excited to be part of the family.

THANK YOU to all who gave a special offering to help furnish and prepare the house for the girls! The home is beautiful and welcoming for everyone!

BACK TO SCHOOL

This is always a **crazy, frantic, and fun season** as each of our families prepares for a new school year. With an average of twelve kids in each of our eight homes, there are many school supplies to buy! Notebooks, paper, pencils..and that's not even getting to all of the uniforms and shoes to be purchased! **YOU help give all of our kids a great education.** This really is a key part of breaking the cycle of poverty in which the majority of our kids have been raised before coming to Niños. **Because of you, our 98 kids are facing a bright future!**

Dear friends,

Do you realize how many ways your support blesses the people of Mexico?

Besides the care for the children, Niños de Mexico is ministering to children and adults through **regular mobile medical outreaches**. Some trips are accomplished with groups from the U.S. (pictured) and others are done over a weekend with our staff doctor, other staff members, and some of our teens. This outreach started in 1997 after Dr. Banta joined our staff!

The end of May, we visited four mountain village communities. We were able to bless **over 500 people** through medical treatment, evangelistic outreach, and encouragement.

YOU are caring for people of all ages in these at-risk communities – but particularly children and senior citizens. Many of the people who come to the clinics are 60+, including many who are in their 80s with no access to regular health care. There is also a language barrier as many of the people do not speak Spanish; rather, they speak their native dialect.

You also helped minister to OVER 900 kids through nine different Vacation Bible Schools!! Over 600 of these kids were not a part of the local churches before attending!

It is exciting to see families draw closer to the local churches through these outreaches!

Please keep the pastors and ministers in your prayers as they work to reach their communities for Christ!

YOU are blessing the people of Mexico in SO MANY WAYS! THANK YOU!!

Sincerely,

Steve Ross

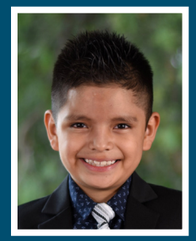
NEW CHILDREN WELCOMED

In the last few months we have "received" six more kids! **Broken and battered, they now have a bright future complete with safety and the love of Jesus!**

In mid-May, we welcomed two more children from México City. They both arrived with broken bones from abuse that they had suffered. **Jesus Guzman** is five years old, and **Katheryne Balta** is 21 months old. Please keep them in your prayers as they continue to heal from the trauma they experienced.



It was a great day for **Yael and Yamelith Cruz** as they became a part of the Niños de México family in June. Yael is nine and Yamelith is seven years old. The next day they got to dress up and attend the Niños de Mexico graduation celebration.

Ten-year-old **Angeles Juarez** joined the New Life home in Puebla. She is excited to be part of this family. Please keep her in your prayers as she was recently diagnosed with epilepsy and is taking medication.

Elias Romero is our newest arrival. He came to us in August. He was abandoned by his parents and was living with other relatives who had been physically abusing him on a regular basis. His grandma asked DIF (Division of Family Services) to take him in to protect him from additional abuse.

Thanks to you, these children are now in a safe and loving environment! Thank you for showing them what Jesus' love looks like!

JOIN US FOR A SHORT-TERM MISSION TRIP!

WE WANT YOU to come visit us and see first-hand all the amazing work that is being accomplished through the ministry of Niños de México!

YOU are a key part of saving children as you join with us in this ministry! We'd love for you to be here in person to meet the child that you sponsor.

Each year we have over 15 groups come to Niños de Mexico to serve the children on a Short Term Trip. This summer we had 11 groups and over 125 people visiting the work.

The groups were able to accomplish many projects around our homes and spent time encouraging our houseparents and the children in our care. They also learned about the culture as they took in some of the local sights in and around Mexico City!

We want to THANK each one who sacrificed their time, resources and love to bless our children!

And whoever in the name of a disciple gives to one of these little ones even a cup of cold water to drink, truly I say to you, he shall not lose his reward. Matthew 10:42 (NASB)
