A beloved Ballard tradition, Julefest is a festive community event that transforms the National Nordic Museum grounds into a traditional outdoor holiday market filled with live music, delicious treats, and holiday cheer.

Volunteers are needed to help support our guests, fellow volunteers, performers, staff, and the environment in a variety of roles, including:

- Greeters and wayfinders
- Trash pickup and table bussing
- Trash, recycling, and compost sorting
- Event breakdown
- General event support
- And more!
