Local REALTOR® Hikes For Make-A-Wish of NC

Local Realtor®, Jeff Simpson, decided to roll up his sleeves and head out onto the North Carolina Mountains-to-Sea-Trail (NCMST) to shine a light on the NC Make-A-Wish foundation.

When Jeff's daughter was diagnosed with Myeloid Leukemia in 2003, Jeff and his family witnessed unbelievable generosity bestowed on them through N.C. Make-A-Wish foundation. The foundation brought fulfillment to his daughter's "bucket list" - things that offered hope and respite from all that AML dumped on the young teenage girl. Experiencing her wishes lived out created a time of fun, love and memories that the family will always cherish.

M.A.W. does more than grant wishes. They are a group of people who love, care, are committed and dedicated to the people they serve. They plant seeds of hope, laughter, and normalcy in the lives of those who need it during difficult times.

Jeff set out to hike the Mountains-to-Sea Trail on December 6th, 2021 in hopes of raising attention to Make-A-Wish's herculean efforts and to raise the necessary monies to turn children's wishes into laughter and joy. The average "wish" costs $7,500, Jeff's goal is to raise $247,500 for North Carolina children waiting to see their dreams come true. Your help is needed, as of right now Jeff has raised just over $8,500, but together we can make "bucket lists' become realties.
