

# 'Round Redeemer

**MARCH 2017**

**Redeemer's Mission:** Leading people into a growing relationship with Jesus and the community of faith, offering hope, help and healing in His name.

**Redeemer's Vision:** Connecting to God, connecting to people, connecting to life!

## Reach Young Families!

*Rev. Paul Schult, Senior Pastor*

Vision can be defined as a preferred hope for the future. Things can be different. We can make a difference.

Throughout the Bible God gave his people a vision of the future, to give them hope, to them direction, to give them faith. At Redeemer we have been talking as a congregation about a vision for the future. What will Redeemer look like in 2025? We have been talking about Redeemer's strengths and successes over the past 90 years. We have been talking about our community and our context. We have been talking about the resources, gifts and talents God has given to Redeemer. And we have been seeking God's direction and vision for the future.

Redeemer has a strong history of being innovative, willing to change, open to God's leading and trying new things. Redeemer has a strong history of being very concerned about people who are far from God. Redeemer has a strong history of caring about other people who don't know Jesus.

For the past 6 months the conversations have been

deep, meaningful, and consistent. The dominant theme that continues to rise to the top is the desire to effectively reach young families.

It makes a lot of sense. That is something Redeemer has done very well in the past. Redeemer's school ministry has grown larger and stronger in a time when most Lutheran and Christian schools are shrinking and closing.

It makes a lot of sense. The Millennial generation attends church less than any other living generation today.

It makes a lot of sense. Redwood City continues to draw many young people to the community because of the tech industry and revitalized downtown area.

It makes a lot of sense, when young parents have children they often begin to ask questions about faith and God.

It makes a lot of sense for a

lot of reasons. And it seems that God is leading Redeemer to a clear vision of the future of focusing on how to reach young families and draw them into relationship with Jesus Christ.

There is a powerful Bible passages, Judges 2:10 that says,

"After that generation died, another generation grew up who did not acknowledge the Lord or remember the mighty things he had done for Israel."

There is a real sense of urgency for Redeemer. We are on the brink of two generations coming of age who don't know the mighty things God has done for them through Jesus.

So – if we really start to focus on effectively reaching young families – what does this really mean?

It means we need to rethink, reconsider, redesign. It means we need to look at things that God says it is okay to change for

the sake of the mission. It means we need to be willing to do some things differently.

God tells us in the Bible there are some things that will never change – that cannot change: the Word of God, Jesus, God's love for all people, God's plan of salvation, God's desire for all people to trust in Jesus as their Savior, the truths of the Bible.

But there are many things that God says we need to be willing to change – for the sake of his mission: our programs, our methods, our style, our strategies.

It is an exciting time at Redeemer. Over the next few months, be sure to be a part of the conversations as we seek God's vision for the future.

God's peace!  
See you in Church!

Pastor Paul

## Life Enrichment

by Board Member, Virginia Nelson

*God enables us through Life Enrichment Ministry to enhance our latter years by sharing with others our Christian love and fellowship.*

Another fun day was had by all. We gathered again with friends to celebrate our God and each other.

After Pastor Paul opened us in prayer, he again gave us some really funny jokes based on Valentine's Day – 1) Boy: Do you have a date for Valentine's Day? Girl: Yes, February 14th. 2) What do squirrels give for Valentine's Day? Forget-me-nuts. 3) If your Aunt ran off to get married, what would you call her? Antelope...cute, cute, cute. Thanks Pastor.

It was nice to see Grace with us again. She gave the story about the hymn "In The Garden," and played it on the piano as we all sang along. Beautiful...

Ruth led us in some warm up exercises to limber and warm us up. Thanks again Ruth for all you do.

Eric & Joan were here to entertain us today. Joan played the piano and Eric sang songs in memory of some celebrities who died recently. First was "You're Gonna Make it After All," celebrating Mary Tyler Moore. Then "Tammy" for Debbie Reynolds. Zsa Zsa Gabor also died and he told one of her jokes. She said I'm a very good housekeeper...everytime I get divorced I keep the house! We then sang some oldies such is "Where Is Your Heart", "I'll Be Loving You Always" and many, many more. It was good to see everyone

singing along.

Kurt Schreiner prepared us a delicious lunch consisting of Salisbury Steak, potatoes, broccoli and salad. We had chocolate cake for dessert. Boy are we blessed or what?? Many, many thanks to Madel for her leadership in this lunch each month!! Today our guests donated \$56.00 to Street Life Ministries. They are so grateful for your help and support, thank you again; you are a real blessing to them.

March will be another fun time to honor our God for all he gives us and does for us. We once again will be given a delicious lunch prepared by Al Diaz, so I'm

looking forward to seeing all of you again next month, and remember, bring a friend if you can.

## Home and Hope 2017: Volunteer Now!

Once again Redeemer has the opportunity to host families in need for two weeks in 2017! Our congregation is always so faithful in serving in this ministry. Julie Sowa and Nancy Talistu have lovingly headed up this opportunity for the past five years. Julie has decided to step down as a chairperson and nightly host. We thank her for all that she has given to Home and Hope. Nancy is willing to organize and schedule volunteers to fill the two weeks of our hosting.

What is needed this year is someone(s) to be blessed in being the nightly host. This is the person(s) who are there every night to greet our families. This is not a requirement by Home and Hope guidelines, but it is a blessing that Redeemer began and one that our families so appreciate. This allows them a familiar face and contact for every night they are with us. They don't have to introduce themselves every night to the dinner hosts or children's activity person or overnight host, etc. Our Redeemer host can be the connection that makes these families feel like they come "home" every night. Plus, the fact that we host them for two full weeks means they don't have to pack up and move to another church and jockey for position for tents, cots, blankets, etc. which can be stressful for them when they have enough of that already. It is possible that the nightly host position could be

shared by a couple people, in that, one week you host every night and then the next week another person hosts every night. We realize two full weeks of this is a big commitment. (Ask Julie and Nancy, wink)

Below is a description of opportunities to serve. Praying God touches your heart as He did Nancy and Julie's, among others, to serve and be blessed!

REDEEMER LUTHERAN CHURCH

JULY 23rd - AUG.5th 2017

### OPPORTUNITIES TO SERVE:

*Overnight hosts*-You are asked to show up by 7:30 p.m. (but arrangements can be made for later arrival) and you leave after the guests depart by van in the morning around 7 a.m. You straighten up the kitchen if needed and lock up. A key can be provided, or Julie or I can come by in the morning and lock up. In the past, sometimes there is an extra tent for overnight hosts to sleep in, at times it has been set up on the stage in Luther Hall. We also have a double air bed or two that we can loan to our overnight hosts that can be set up in the nursery or other room. You need to bring your own pillow and blanket or sleeping bag. Lights go out by 10 p.m., so you are not up late.

*Children's Activities*-is totally at your discretion and talents! We will get a list of our guests a week or so before, so I can let those who sign up know the ages and amount of children. I have found this to be the most appreciated part we provide. Many of the parents are overwhelmed by their situation and to just have someone entertain their child for an hour or so, is a much needed break. I will add though that we are not to be alone with anyone's child, so just keep that in mind. In the summer, the tables outside are a great place to gather for this.

*Dinner Hosts*: This is also at your discretion. Sometimes there are food allergies, but I will let you know as I find out. The meal should have a main course, side dish and dessert. Drinks are provided. You are asked to have the meal ready to serve by 6:15 – 6:30 as the guests arrive by van at 6:00 p.m. The meal may be prepared in your home and brought to the hall or you may use the Redeemer kitchen or bbq area. You are asked to stay until the overnight hosts arrive or the children's activity person. Most people tend to stay and talk and play with the kids, interact. It depends on the recipients, each group/family is different.

*Set Up and Take Down*: We will need some help setting up the tents on Sunday afternoon July 24<sup>th</sup> probably around 3pm when they are dropped off. We will also need help taking them down on Sunday morning August. 7th. This can be done after church service or really anytime after 7 a.m. when the guests leave.

of having a Hmong Language School was realized when the pilot program was launched in March 2015. The missional purpose of the school is to reach out into the Hmong community with the Gospel of Jesus Christ. A known

delivery system to reach into multigenerational family units is through the children. The school is encouraged by the older generation who want the younger to know their mother tongue.

Two important goals are met:

- 1) To bring back the Hmong language.
- 2) To plant the seed of the Gospel. All lessons are Biblical material and deliver the message to other generations in the home when the children share it

through their homework. The pilot program was every Saturday morning in spring of 2015, and every evening for two weeks in summer. To continue the Saturday morning schedule and expand to 2-3 evenings per week, plus summer events, the ministry needs materials, supplies and support, funded by this grant.
