Bridge Deck Rehabilitation

SR-210 Various Locations

August 25 to August 29, 2024

SAN BERNARDINO, CA – The California Department of Transportation (Caltrans) is alerting the public that construction contractors will continue work on the $3.6M project on State Route 210 (SR-210) in San Bernardino County, at various locations in the cities of Rancho Cucamonga, Fontana, Rialto, San Bernardino, and Highland. The purpose of the project is to perform bridge preventive maintenance work which includes polyester concrete overlay, joint seals, and adding vertical clearance signs.

Work continues with nighttime hours from 8 p.m. to 5 a.m. on August 25 to August 29, 2024. During this time, commuter access remains as construction crews are preparing work at various bridge locations. **Work may require temporary lane closures at various points along the route. Expect traffic delays in the work area and please be mindful of any signage indicating work area speed limits.** *Please note that all work is dependent on contractors receiving proper materials for each job function. It can be changed or canceled at any time.*
