Thank-You Note from NovusWay Ministries

Over the last several months, Grace committees which had budgeted for camp-related ministries this year sent those funds directly to NovusWay, to support our camps during the pandemic and help ensure that camp will be strong next year. Thank you for giving generously so we can support our partner ministries!

Greetings Brothers and Sisters at Grace,
I write to share thanksgiving for your recent gifts to NovusWay and for your continued faithful monthly support of the ministry. Like with our congregations, Covid has stolen our ability to gather and as such camp looks and feels very different right now. It is the ongoing support of congregations like Grace that allow us to plan for what summer camp 2021 will look like. We can't wait to get back to the ministry of forming faith and developing leaders, and we can't wait to welcome you all back to camp. If you have any questions about the ministry, please feel free to contact me at mschafer@novusway.org.
-God's Peace, Mitzie
