How to Start a Small Business

WEDNESDAY APRIL 17

Learn key strategies for a business start-up such as financing and marketing as well as information about legal issues, licensing, zoning and operations. This seminar will also discuss how to evaluate the feasibility of your business idea. Discover the resources available to help you start and successfully operate your business.

Financing Your Small Business

WEDNESDAY APRIL 24

Financing continues to be a challenge for many small business owners. Questions range from who will give me money for my business, how will my business make money, and what do banks look for when approving a loan. Get to the heart of business financing in this seminar that answers your questions. Explore the advantages and disadvantages of the different types of funding sources and how to choose the right one for your needs. Topics include bank funding, SBA funding, and crowd source funding.
