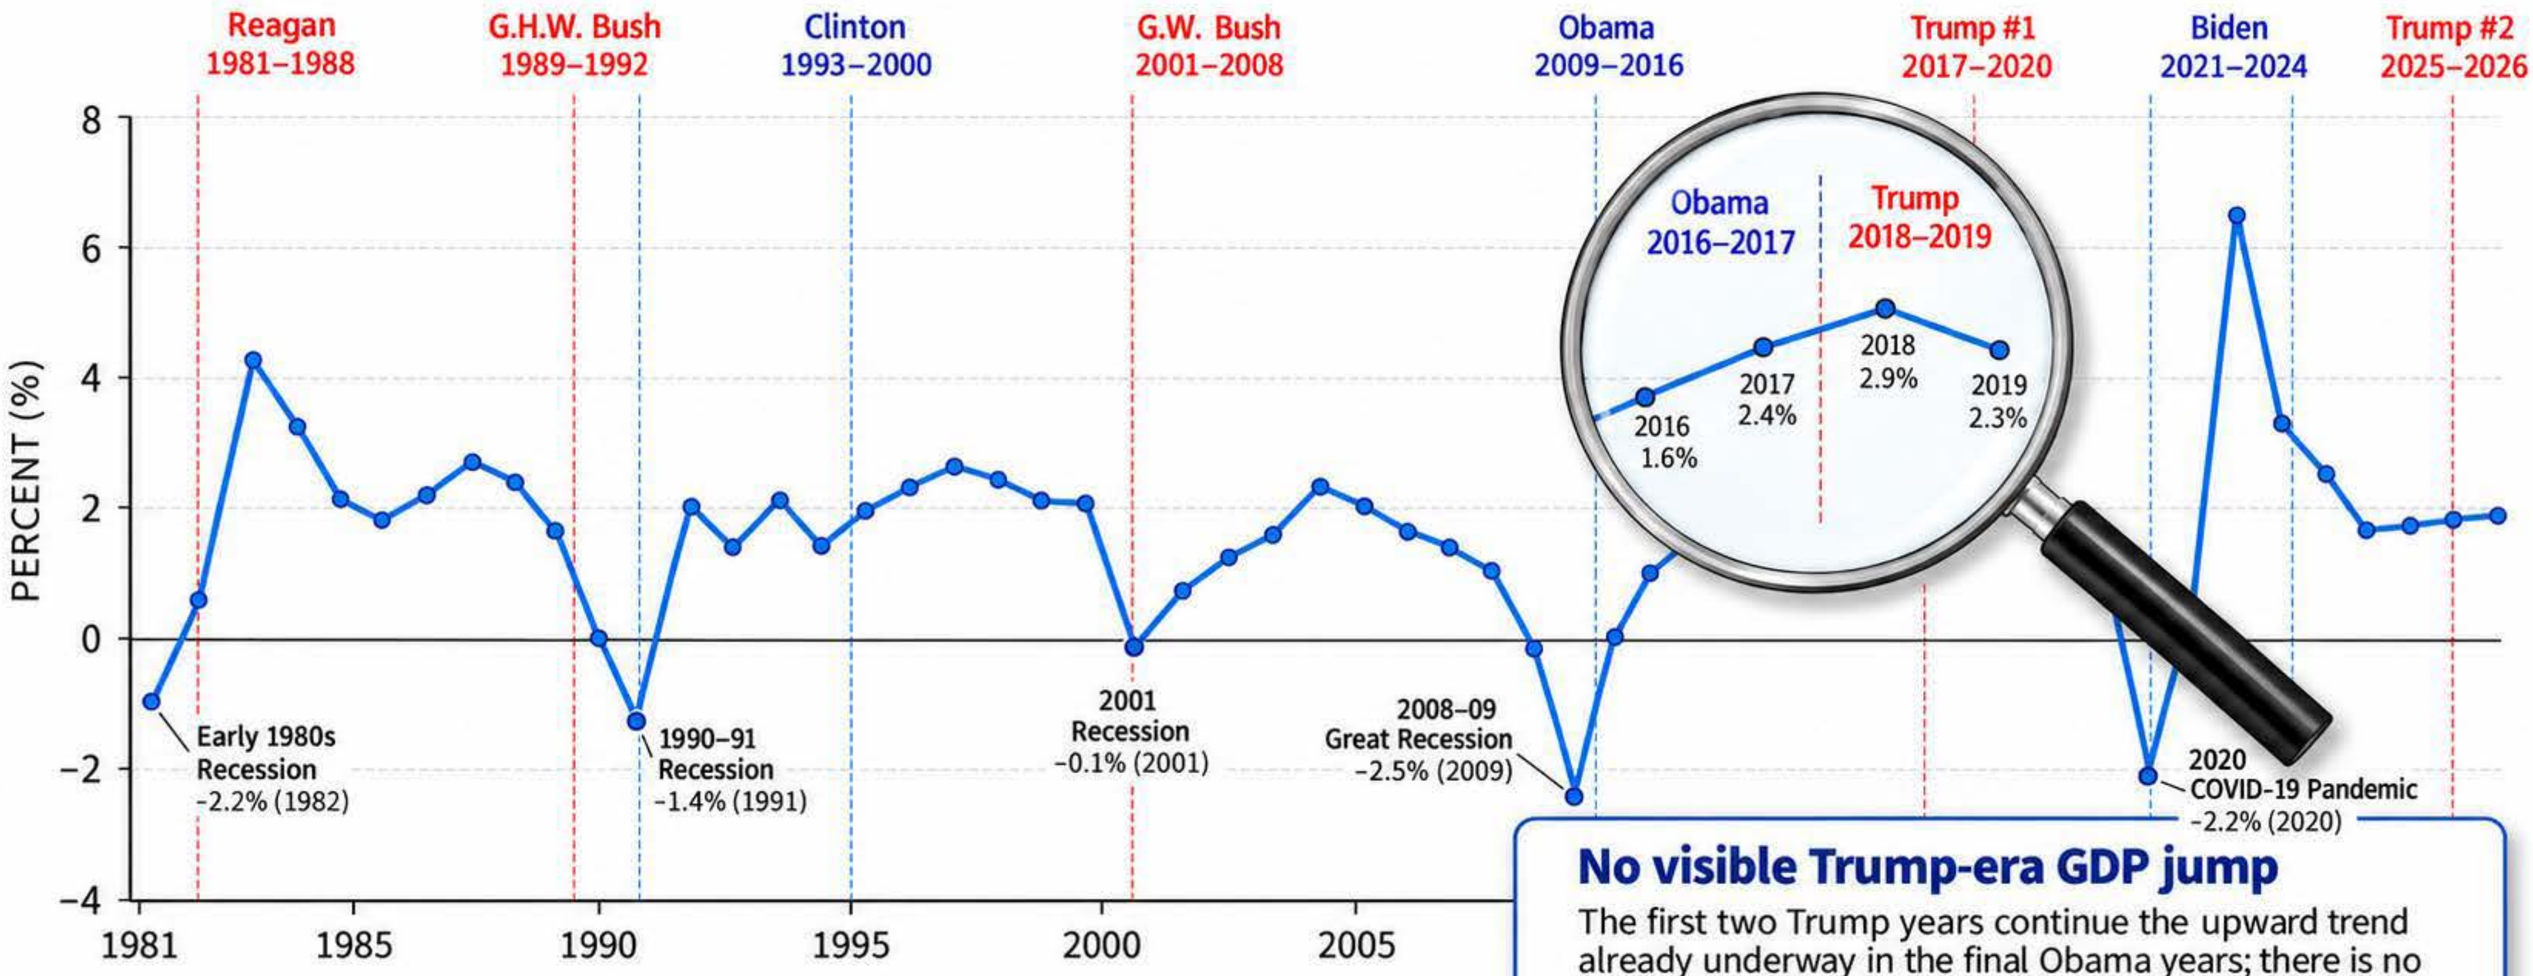
Annual GDP growth rates, percent

House majority	D 1981–1994	R 1995–2006	D 2007–2010	R 2011–2018	D 2019–2022	R 2023–2026
Senate majority	R 1981–1986	D 1987–1994	R 1995–2000	D 2001–2002	R 2003–2006	D 2007–2014	R 2015–2020	D 2021–2024	R 2025–2026



No visible Trump-era GDP jump

The first two Trump years continue the upward trend already underway in the final Obama years; there is no clear break in the line suggesting a new acceleration caused by Trump policies.
