

Angel Trees are In Full Swing!

For many years, DPC has participated in Decatur's *A Season of Giving/Christmas Decatur* through our Angel Trees. This is a local mission serving some of our low-income families and senior adults living in Decatur.

Visit the Angel Trees in the Philips Foyer and in front of the children's library and choose an angel gift for a child, teen or an adult senior. DPC is one of the many churches and organizations that participate in A Season of Giving/Christmas in Decatur program. The recipients are residents of Decatur. The organization has asked that each child and senior gift total $150. To achieve that amount, consider sharing the wish list with friends, a Sunday school class or other church group. Each teen gift is a specific $50 gift card.
