

## **PLEDGE TO PURCHASE ACORN**

**Dimensions: 3.5 X 3.5 X 4    Material: Fiberglass w/base.**

The entire \$1000 purchase price is required to reserve and have your acorn cast. Checks are to be made payable to the **Oak Lawn Social Service Corporation** (FEIN 36-3557149).

The Oak Lawn Arts Commission will provide an artist, if needed, as well as guidelines for images used in the painting of your acorn. We have interested artists and groups available. Or, you can arrange for your own artist or group to paint. Acorns will be delivered to the location of the Painting Event, the Oak Lawn Village Parking Lot. You have the option of participating in that event, where we can advise during the painting, or you can pick up your acorn for painting where have it painted at a location of your choice. Questions can be emailed to Carmie O'Leary at [coleary@oaklawn-il.gov](mailto:coleary@oaklawn-il.gov).

Following decorating, the acorns will be exhibited for a two week period for public display as a group exhibition, beginning July 5th through 18th. After the group exhibition, the acorns will be removed for final seal coating, and then returned to the permanent location of your choosing. The owner of the acorn is responsible for the installation of the acorn at your location of choice.

You will allow photographs and other means of promotion of your acorns for the Oak Lawn Arts Commission and the Oak Lawn Social Service Corporation. Please complete and sign the back of this form.

If you have questions regarding displaying your acorns at your place of business and would like to discuss the Village Sign Ordinance, please contact the Village Building Department at (708) 499-7800.

**Thank you for supporting the Oak Lawn Arts.**

Please return this completed form, with deposit, to Carmie O'Leary at [coleary@oaklawn-il.gov](mailto:coleary@oaklawn-il.gov).

The time between the purchase of the acorn and the delivery for painting by the foundry is flexible, and may be as long as 2-3 weeks. You will be notified prior to delivery of the acorn for painting. Your painter, when identified will be given paints, a special hardener to prolong the acorn's live prior to final spraying, and brushes to complete the decorating.
