

ROSLYN BOYS' GOLF TEAM – TRYOUTS 2018

Summer, 2018

Dear Parent & Boys' Golf Athletes:

Welcome to the Golf Team Tryouts for fall 2018! It is imperative that all team members be prepared for the upcoming season. The first day of tryouts will be Monday, August 27th. All players must be registered through Family ID 1 week prior to this date. The link can be found on the Roslyn High School athletic website.

The registration process will be open 30 days prior to the start of the season. All forms are available through the Family ID link.

If these forms are not on file, you will be unable to begin practicing and this will interfere with your tryout.

Be advised, the tryout process will take place over a 1 week period. The schedule and process will be discussed on the 27th at the driving range. We will take a bus from the front of the high school to the range at 9:30. The teams will be determined by Friday August 31st. ***Proper golf attire is required.*** A full tryout schedule will be distributed to the team on the first day, however, players should be ready to play Monday through Saturday if necessary during tryouts.

While you are enjoying your summer, please keep in mind that the success of our team depends on your preparation between now and August 27th.

So, be sure that you are doing everything to prepare for the upcoming season.

Best regards,

Bob Gerula
Dane Solomon
