

MVHSIMBA - Mission Viejo High School Instrumental Music Boosters Association

August 14, 2017

Dear Sir or Madam:

During the month of August 2017, Mission Viejo High School Marching Band and Color Guard is hosting a Textile Drive Fundraising. This year we have a goal of collecting 13,000 Pounds of textile throughout the school neighborhood, our band and guard parents, and their neighbors. As you may know, the Mission Viejo High School Music Program maintains the very highest performance standards and has won numerous honors and awards throughout California and the world.

In these most difficult times, the Music Program needs your support more than ever to maintain our high standards and to represent our community at the highest level in the state and country. We are asking for your textile donation in support of our music program. It is generous local families, friends, and neighbors that will keep Music Programs in our public schools. For that, our Music Students thank you.

Thank you for your textile donation.

Sincerely yours,

Milad Demetry,
Randy Boone,
2017 Textile Drive Fundraise
