How to Participate in the 2026 All Saints Bake Auction

- **To take part in the Silent Auction online and the Live Auction in the Parish Hall** (or both!), start by making sure you have an account with **our auction platform** **32auctions.com/AllSaintsBake2026**.
    - We recommend ensuring you can log into your account or if you don't already have one, set up a new account *before* Sunday. That way, when the auction opens at 10 am, you'll be ready to go!
- Sunday morning **Silent Auction items** will be on display in the Parish Hall, with photos available to preview at 32auctions site beginning at 9:45 am.
    - Silent Auction bidding will begin at 10 am exclusively through 32auctions. You can create a "favorites" list of items you're bidding on or still considering.
    - When the Silent Auction closes at 11 am winners can pay for items online by scanning the QR code posted in the Parish Hall.
    - Take home the Silent Auction items you've won any time between 11 am and 1 pm.
- The **Live Auction** will take place in-person in the Parish Hall (using good ol' fashioned paddles) starting at 10 am. Live items will be available for perusal before the auction starts. Once the auction begins, get ready for a fast-paced, exhilarating experience!
    - Winners can pay for Live Auction items online by scanning the QR code posted in the Parish Hall.
    - Take home the Live Auction items you've won any time between 11 am and 1 pm.
- **A note about cash: Bring some!** You won't regret it. Look for Atrium II children selling bags of delicious cookies for $1 in the Parish Hall during the auction. Bidding is hungry work! And the children only take cash. They don't take Venmo or PayPal, won't invoice you, or give you credit, even if you are their parents. And, frankly, Ms. Polly won't let them make change!
- **Have fun!** Get ready to have a great time. Consider banding together with friends on a Live Auction item. Buy more sweets than you can possibly eat and take them to work or to your kids' school. Eat a few $10 cookies for breakfast. It's amazing what we can do to create change for good – in just one hour!
