## ENGAGING THE WORLD REQUESTS

**Intercessor Focus: James Mixon, George and Martha Mixon's son**

George and Martha are long time supported missionaries in Kenya, who many at MRPC know and love. Their 26 year old son, James, was involved in a serious motorcycle accident last week near the town of Nanyuki; He lives and works on a large wildlife conservancy in northern Kenya. He has a tremendous thigh wound and a badly broken shoulder and underwent surgery for his leg and shoulder. He is now at the Kijabe mission hospital in recovery from both surgeries.

Additionally, two weeks ago, his house on the conservancy was burned to the ground and he lost most of his possessions.

Join us in prayer for James' body to recover from the two surgeries and that no further infections would develop.

Pray for Martha and George who have both flown to Kenya, as they attend and love their son.

Pray for the team of doctors who are caring for James, and for the provision of therapists and medical staff who will walk with James through his recovery.
