**Important:**

- You can purchase e-cards instantly anytime ***(preferred)***
- You can purchase physical gift cards and choose *SHIP THEM TO YOUR HOME* ***(preferred)***
- You can purchase physical gift cards and SHIP THEM TO US. However, this will add at least 2 additional weeks for us to receive the card and an additional 7-10 for us to re-mail it to you.
- **Please DON'T choose the option to pay the coordinator directly. This will delay your order by an additional 30 days. It will take time for us to receive a check via mail, waifor it to cash through the bank and re-mail the card to you.**

There are several ways to save money by using e-cards or shipping physical cards directly to your home. You can add your checking account to your account and avoid credit card processing fees. RaiseRight shipping and handling fees are reasonable. For 1 physical card it is currently $1 to ship directly to you through USPS. See chart below:
