WEEKLY newsletter

Great Hearts Lakeside 3rd Grade: 11/29- 12/03

Language Arts

Spalding: We will be learning 20 new words.

Literature: We will cover chapters 10-12 of *The Lion, The Witch and The Wardrobe*.

Grammar: We will be continue learning about adjectives and adverbs.

Writing: We will continue with our writing process and adding dress-up including ly-adverbs and who-which clause.

Math/Poetry

Math: We will learn our multiplication and division facts for 7 and continue to practice division algorithm.

Poetry: We will learn a new saying and begin learning our new poem “Friends, Romans, Countrymen.”

History/Science

History: We will have our unit review over ancient Rome and take unit assessment.

Science: We will present our science fair projects and review for our test on the Structure of Life.

Teachers’ Notes

Please check your scholar’s blue folder/planner to assist them with completing all of their homework each night. Please help your scholar complete their Science Fair Projects.

If students are putting in 20 minutes of diligent effort into their math homework and are unable to complete the assignment, a parent can sign off in either the planner or on the assignment and it will be counted as complete.
