WEEKLY newsletter

Great Hearts Lakeside Kindergarten: 11/29 - 12/3

Language Arts

Spalding: We will be learning phonograms /ng/, and /ea/. Our spelling words for the week are: in, so, no, now, man.

Spalding Rules:

- **Rule 4-** a vowel can say it's name at the end of a syllable
- **Underlining** - two letter phonograms are underlined because they make one sound
- **Numbers on top** - If the phonogram has more than one sound, we label the sound the word uses

Literature: We will be reading *Three Billy Goats Gruff* and continuing reading groups.

Writing: We will be narrating illustrations from *King Midas and the Golden Touch*.

Math/Poetry

Math: We will begin quantifying and writing numbers 11 - 20. We will also be learning about place value.

Poetry: "Old Mother Hubbard"

History/Science

History: We are beginning a new unit on the continents. This week we will learn the 7 continents and discuss North America.

Science: This week we are continuing the 5 senses. We will discuss each sense individually, and this week we talk about Touch.

Teachers' Notes

- Please have your scholar read their Book in a Bag to you nightly. **Please remember that they do not receive a new book as soon as they master it at home. We check in with them once a week (Fridays) and this is when they will receive a new book, if mastered.**

- Please continue following the Spalding script for the homework!

- Please send a book for your scholar to read at dismissal.

Dates/Reminders

Thank you to all who donated items and time to our Thanksgiving Feast! It was a blast!

12/3: Half day
