

Poverty Simulation Workshop

We invite you to experience first-hand the reality that many individuals in poverty face. A role play method will be used to demonstrate the effects of poverty on people and families. Each person that participates in this event will be given a new identity and family, and together you must meet all basic needs and necessities while being considered in poverty.

Date: Monday, September 24, 2018

Time: 9am-1pm; Registration begins at 8:30am

Location: Shenandoah Community Fellowship

197 Patmos Rd, Woodstock, VA 22664
