# Health Care: The Continued Path to Freedom and Justice

Celebrate Black History Month  
With a Focus on The Health of The People and the ACA!

*Presented by Consumer Health First*

For too long, many in the African American community have been without access to vital health care services. The Affordable Care Act (Obamacare), which has been bridging that gap, is now in peril! Get informed and be a part of the solution to STOP the reversal!

### ***In honor of Black History Month***

Join us for a discussion about health equity and the effort to preserve Affordable Care Act for all!
