\_\_\_\_\_ **LSM 101, Learning & Leading - Introduction to Lay Ministry**

This course is foundational for all courses in lay servant ministries. Participants are encouraged to discover and employ personal spiritual gifts as God intended and to consider the importance of exercising servant leadership, developing future leaders, remaining rooted in consistent spiritual practices, and being part of a group that holds members accountable in their discipleship.

-- **This course requires pastors approval** \_\_\_\_\_

**Advanced Courses**

\_\_\_\_\_ **Methodist Heritage – Transforming Evangelism**

This course leads participants to learn from John Wesley how to practice relational evangelism. They will discover that evangelism involves not only sharing our faith with others but also welcoming people into a community where they can grow in faith.

\_\_\_\_\_ **United Methodist Polity - The Method of our Mission**

This course gives participants an overview of the structure and organization of The United Methodist Church. A copy of the 2016 Book of Discipline is recommended for both the online and text version of this course.

\_\_\_\_\_ **The Spirit and Art of Conflict Transformation**

Every church deals with conflict, both healthy and unhealthy, and lay servants can be equipped and empowered to help lead through those times of conflict as a time of transformation.
