BUSINESS GIFT GUIDE

Salty. Crunchy. Sweet. Eat.

DANGEROUSLY DELICIOUS GIFTS

Dear Sophisticated Gifter,

The brilliance of presenting Funky Chunky as a “thank you” or as a “you did it!” is that consumable gifts are the savvy way to give. We’ve discovered the essential needs for the teams on your list: escape, indulgence and recognition.

When you recognize your team in a deliciously thoughtful way it’s a twofold win: you win the unofficial delectable gift-giving contest and your vendors, employees, team or co-workers develop a winning attitude and deeper loyalty towards you, your brand and mission.

Recognizing those with whom we cross paths and work is a delicate and vital part of being a member of a larger community. Funky Chunky gifts allow recipients to indulge in dangerously delicious gifts, feel your gratitude and escape...if but for a moment.

We have everything on your gifting checklist:

- ✓ Salty.
- ✓ Crunchy.
- ✓ Sweet.
- ✓ Eat.

Sweetly yours,

funky chunky

WELCOME TO YOUR NEW FAVORITE FLAVOR GUIDE

SEA SALT CARAMEL

We didn't think it was possible to improve our caramel popcorn but then came roasted cashews. And when we sprayed the popcorn and salty cashews with milk and dark chocolatey drizzle we looked over our shoulders. Is this legal?

NUTTY CHOCO POP

The artist previously known as Chocolate Popcorn, Nutty Choco Pop is a stylishly nutty, salty-sweet treat. When our signature caramel popcorn was wed to mixed nuts we sealed the coupling with a trio of chocolatey drizzle.

CHIP ZEL POP

The satisfying bite of salty chips and pretzels is the classic go-to snack. But those combined with buttery caramel popcorn? And thick swirls of caramel? And three kinds of chocolatey drizzle? Wow!

CHOCOLATE PRETZEL

One kind of chocolatey drizzle is good...but three kinds is a culinary trifecta. Swirls of milk, dark and white chocolatey drizzle is loaded on pretzels, which is intense. But then we laced caramel on top and studded all that goodness with bits of buttery pecans. Yes, please.

PEANUT BUTTER CUP

The combination of peanut butter and chocolate is an obvious heartbreaker, but we amped up that delight with swirls of peanut buttery and milk chocolatey drizzle. And peanuts. And caramel popcorn. And yum.
