CONCENTREK GROUP

Do you hire student interns in the communications field? AAF Toledo, the Press Club of Toledo and PRSA Northwest Ohio are joining forces with the University of Toledo and Bowling Green State University to present The Internship Event, an internship seminar for regional college students. Designed to prepare and educate students on the best way to get the internship they want with a northwest Ohio company, The Internship Event is a win-win for students and employers.

The successful event will be offered free to students on Saturday, November 5 from 8:30 am to noon at the Hilton Garden Inn, Levis Commons, 6165 Levis Commons Blvd, Perrysburg.

Local professionals in advertising, corporate communications, journalism, marketing, the media, and public relations will panel a discussion on internship opportunities and the successful candidate, followed by a portfolio workshop. In addition, employers will have the opportunity to meet and recruit interested students during the Professional Connections segment.

We are offering you the opportunity to have a recruiting table at the event, enabling your company to meet potential interns and let them know what you have to offer. Representatives from ad agencies, the media, public relations, corporate communications or any other related businesses are invited to be a part of this extraordinary cooperative event.
