PERMISSION TO RUN A TAB

9-15-16

We, the middle school students at Sun Grove Montessori School run a micro-economy called "Wake Up Montessori Cafe". We serve a full menu of breakfast options three mornings per week.

Primary children and younger can attend with an adult. Elementary children and older can attend without adult supervision. Cash payments can be made at the time of ordering or after a meal is eaten, but we also offer the convenience of running a "tab". Tabs are totalled near the end of each month and bills are sent home with students.

Cafe for the 2016-17 school year will open on Tuesday, Sept. 20.

Please enter your child/children's name, sign, date and return the *permission portion* below if you wish to open a "tab" in Cafe. Pre-payments are accepted anytime and will be entered as credit.

Thank you. We hope we will have the pleasure of serving you in Cafe soon!

Student Name: _____

I have discussed the menu and ordering options with my child/children and they have permission to run a tab for Wake Up Montessori Cafe.

Wake Up Montessori Cafe is a student run business and Cafe charges are billed directly from students. I understand that a monthly bill will be sent home and payment will be due in full within a week of receipt.
