

Growing Godly Girls

Growing up godly is a tough proposition for girls today. We'd like to partner with parents to help! Growing Godly Girls has been created to discuss topics that are meaningful and timely in the lives of today's young girls. Students will be assigned a middle school aged student small group mentor that will act as a "big sister".

These small groups will focus on a specific Christian character trait each week.

Large group time, crafts, snacks, and prayer round out each class. Join us!

When: Mondays from April 23rd - May 21st from 3:20 to 4:30pm
