

Cornerstone Christian Academy is Moving!

Let the moving begin! While the dirt work has begun at our new site, the in-house work will be close behind. On Saturday, July 21st, we will be moving from our two current campuses to our new location. This means we need your help!

To bless you as you help us, we are offering three service hours for every hour you contribute to the move. All you have to do is help load the trucks with the totes and furniture at our current locations and help unload at our new campus, and you'll receive your 3-to-1 hours.

I anticipate that it will take 20-25 helpers to load each pod into trucks, which means we need 120-150 volunteers for moving day! It should take about 4 hours to load the trucks and another 3 hours to unload at the new site. That means 7 hours of help will equate to 21 service hours! What a deal! You'll sign in and out on the day of the move, and we will take care of the rest.

I will be setting up teams to move specific pods. If you have children in the K-1 pod, you'll be assigned there. If you have children in 2-3 pod, you'll help with the east pod, and so on.

What does helping look like? Everything will be packed and ready to load before you arrive. Loading totes and furniture will be the task, then unloading it. Everything will be labeled as to where it should land as we unload, so it won't be complicated.

We also will need help on Monday, July 23rd and Tuesday, July 24th for additional cleaning and finishing up odds and ends. If you're interested in more service hours on those days, we would love the help!

All you need to do now is get signed up in the elementary office. We will take all volunteers because many hands make light work. Thank you in advance!

Saturday, July 21st Schedule

8am – Noon	Meet at Cornerstone's old campus to load up pods
Noon – 12:30pm	Cornerstone will provide lunch for all volunteers
12:30pm – Finish	Unload trucks at Cornerstone's new campus
